

## DAY ONE

**01.** From the Holiday Home set, stamp a lightpost in Early Espresso on white cardstock and two houses in Lost Lagoon on Pool Party cardstock. Fussy cut and set aside.

**02.** Place a strip of washi tape along the bottom edge of tag.

**03.** Cut a 2in square piece of paper. I used the craft colour with white diamond dot pattern.

(you will need 8 brown 2in squares cut from Under The Tree Designer Series paper for tags, 1,2,5,7,11,15,17 and 24. I used an assortment of the patterns)

**04.** Distress the top and bottom edges and adhere to the tag

**05.** Adhere the lightpost to the tag on the bottom right hand side.

**06.** Cut one roof section from the second house and using dimensionals (foam tape) adhere to the first house.

**07.** Add glitter to highlight roof, door and archways.
